Theme: Advancing Child Health: Innovation, Research, and Excellence in Pediatric Care

Date

April 15-16, 2027

Time Zone

GMT +4 | Dubai

SCAN ME

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. ([click here for more](#))

About Webinar

Scientex Conferences invites global participants to the “**5th International Webinar on Pediatrics and Child Health**” during **April 15-16, 2027 in (GMT+4)** focused on the theme “**Advancing Child Health: Innovation, Research, and Excellence in Pediatric Care**”. Join this intimate forum to create meaningful partnerships with 50+ Pediatrics experts. Translate key technological & mechanistic pediatrics and health care advances into the clinic. Our goal is to bring together worldwide distinguished academics in the field of pediatrics and healthcare to exchange and share meaningful experiences of various treatment procedures for Neonatology, healthcare, pediatrics, and emergency care. Pediatrics 2027 is a unique forum for discussing current research, giving lectures, networking with aspiring scientists, and gaining name recognition for your work. This conference provides information on the most up-to-date emerging topics in pediatrics, research, current technologies, and several other areas of healthcare. You can explore your ideas and practical knowledge about pediatrics and healthcare. ([click here for more](#))
